

YOUR PERSONAL *Prayer*

In the name of God, the most gracious, the most merciful,

We commend to your gracious care and keeping all the men and women of our armed forces at home and abroad. Defend them day by day with your heavenly grace; strengthen them in their trials and temptations; give them courage to face the perils which beset them; and grant them a sense of your abiding presence wherever they may be.

Almighty God, in giving us dominion over things on earth, you made us fellow workers in your creation: Give us wisdom and reverence so to use the resources of nature, that no one may suffer from our abuse of them, and that generations yet to come may continue to praise you for your bounty.

We humbly pray that we may always prove ourselves a people mindful of your favor and glad to do your will. Bless our land with honorable industry, sound learning, and pure manners. Save us from violence, discord, and confusion; from pride and arrogance, and from every evil way.

We commend to your goodness all those who are afflicted or distressed in body, mind or soul, that you grant them comfort and relief according to their needs, granting them patience in their suffering.

Praise be to the loving God of all the worlds.
