

YOUR PERSONAL *Prayer*

O God, our help in ages past,

We commend to your gracious care and keeping all the men and women of our armed forces at home and abroad. Defend them day by day with your heavenly grace; strengthen them in their trials and temptations; give them courage to face the perils which beset them; and grant them a sense of your abiding presence wherever they may be.

Almighty God, in giving us dominion over things on earth, you made us fellow workers in your creation: Give us wisdom and reverence so to use the resources of nature, that no one may suffer from our abuse of them, and that generations yet to come may continue to praise you for your bounty.

We humbly pray that we may always prove ourselves a people mindful of your favor and glad to do your will. Bless our land with honorable industry, sound learning, and pure manners. Save us from violence, discord, and confusion; from pride and arrogance, and from every evil way.

O God, by whom the meek are guided in judgment, and light rises up in darkness for the godly: Grant, in the midst of doubt and uncertainty, the grace to ask what you would have me to do, that the Spirit of wisdom may save me from all false choices, and that in you light I may see light, and in your straight path may not stumble.

Through Jesus Christ our Lord, Amen.
