

YOUR PERSONAL *Prayer*

O God, our help in ages past,

Almighty God, in giving us dominion over things on earth, you made us fellow workers in your creation: Give us wisdom and reverence so to use the resources of nature, that no one may suffer from our abuse of them, and that generations yet to come may continue to praise you for your bounty.

You have commanded us to love our enemies, to pray for those who persecute us. Lead them and us from prejudice to truth; deliver them and us from hatred, cruelty and revenge; and in your good time enable us all to stand reconciled before your throne.

O God, by whom the meek are guided in judgment, and light rises up in darkness for the godly: Grant, in the midst of doubt and uncertainty, the grace to ask what you would have me to do, that the Spirit of wisdom may save me from all false choices, and that in you light I may see light, and in your straight path may not stumble.

Through Jesus Christ our Lord, Amen.
