

YOUR PERSONAL *Prayer*

Guide the nations of the world into the way of justice and truth, and establish among them that peace which is the fruit of righteousness, that they may become the Kingdom of God here on Earth.

God of Love, stretch us to encompass more and more of You, as we encounter your holy presence in others. We thank you for the variety of sexual orientation and gender expression among us; grant that our differences may serve to broaden our embrace of You and the diversity of Your creation. Teach us to honor one another as unique expressions of your One Love, and to protect the rights of all, especially those most at risk from hatred, discrimination and prejudice.

We humbly pray that we may always prove ourselves a people mindful of your favor and glad to do your will. Bless our land with honorable industry, sound learning, and pure manners. Save us from violence, discord, and confusion; from pride and arrogance, and from every evil way.

We commend to your goodness all those who are afflicted or distressed in body, mind or soul, that you grant them comfort and relief according to their needs, granting them patience in their suffering.
